called to say they

had received a request from the State Department for information on an

[REDACTED] rather questionable past. State has asked

for this information for Senator Javits. Mrs. Bryans asked our advice

as to how this should be handled. I suggested that if consistent with

their procedures they provide State with this information in a classified

nonattributable form noting that the information was classified and should
not be attributed to the Agency if they give it to Senator Javits.
